and requests that the portion of the original pension, stated to have lapsed to Govt, (Rs 5-8-0) may be granted to him.

12 Demand's order on the petition - "To enquire in Office"

Facts of the petitioner's case are given in paragraphs 1 to 3.

13 As it was alleged by the petitioner that Asadulla Jaluk, his elder brother was alive when the Muhafirkat pension of Rs 22/- was disposed of after the death of Minoddin, peti's father and was given a portion of this pension, the petitioner was called upon on 18.1.1915 & 1st April 1915 to produce documentary evidence if any in support of the statement that the "so-called" Asadulla Jaluk got a share of the pension.

14 No reply to this endorsement has been received from the petitioner

15 In the present petition he makes a slight departure and alleges that the existence of his elder brother was suppressed when the matter was enquired into by the Amildar of Chikmagalur when his father's pension was distributed after his (father's) death that he was not given anything

16 His sister Jahana Begum has deposed before the Amildar of Chikmagalur Taluk that

that Habibulla Jalali, the elder of the 2 sons of Minoddin Jalali also died at or about the same time as the latter. In the statement of the two respectable residents of the place recorded before the Amildar, it is stated that they knew the deceased well who left one son (the present petitioner). It is hard to believe that if as stated by him there was an elder brother alive at that time, he would have kept quiet so far when he got no share in the pension & would have left his existence to be made known to Govt by the present petitioner who though a minor at that time, himself got a share in the pension.

17) The petitioner seems to be not quite sure of the facts relating to his family and attempting to put forward some plausible story to get some more pension

18) It may also be noticed that no part of the pension has either lapsed to Govt or is now available.

M. Visvesvaraya, Esq., B.A., C.I.E.,

Dewan of Mysore, B A N G A L O R E.

Your Excellency:

The humble memorial of Obeidulla Jallakh, Mysore State Pensioner, Yellapur Mahal, Hubli Town, most respectfully showeth:-

1. That the memorialist respectfully submits to Your Gracious Excellency that his father Minuddeen Jalakh died about fifteen years ago and that the Pension (which - was very graciously bestowed upon the family permanently) amounting to Rs.22/- was distributed amongst the heirs - that were surviving at the time. That no sooner the - death of my venerable father had occurred, the petitioner informed the matter to the then Government and the benign Government was then pleased to favour the petitioner with an endorsement calling on him to immediately attend the - District Treasury Office and obtain possession of the Pension amount that was previously being enjoyed by his late father.

2. That the petitioner was yet a minor at the time - of the death of his father and that he did not know anything about the distribution and division of the Pension amongst the survivors which the deceased man had left. The Government themselves took the option of distributing the Pension to (1) Khatiza Begum (2) Obeidulla Jalakh, and (3) Jahara Begum as Rs.2-1-0, Rs.7-3-6 and Rs.7-3-6 respectively and that - the balance of Rs.5-8-0 was lapsed. (as the Government state) Here the Government have erred in omitting the name of Asid-Ulla Jalakh, the eldest male member of the family. The petitioner

at the time of his father's death was quite under his own teens and that even though he made known that there exists his elder brother, the Government (so to say the Amildar of Chickkamagalur fully on false information that were at the time given to the notice of the Amildar by the Brother-in-law of the petitioner (sister's husband)was not pleased to record the petitioner's statement as to his brother's existence but based his final decision on the false but illegal report that were made to him by the said brother-in-law of the petitioner. This has led to so much of suspicion on the part of the petitioner and the pension balance has been stayed since the death of his father. Only Rs.16-8-0 is being distributed amongst the abovenamed three persons by the Government. The name of the eldest male member has been entirely omitted.

3. That this eldest brother of the petitioner died - about four or five years ago and that this information was - informed to the Government just then in time.

4. That after this man's death, the petitioner made known the fact that this person was not enjoying the part of pension that was to be distributed to his share since the death of his father and that after his death the petitioner will come as the next proper legal heir for that balance as well. To this the benign Government has not taken any notice at all. The petitioner has brought many a time this kindcof information to the notice of the Government but the Government has not yet been pleased to consider the petitioner's case favourably and the result is giving much immense troubles and unforeseen difficulties in his attempts to approach the threshold of the Government many a time - when he himself resides in a different district altogether.

W H E R E F O R E the petitioner most respectfully craves indulgence under the hands of Your Gracious Excellency and prays Your Excellency be kindly pleased to call for the records connected with this particular case and - considering the facts elicited therein be pleased to kindly order the Government to be pleased to immediately order the lapsed pension (about Rs.5-8-0) that was to have been given to Asidulla Jalakh, the eldest male member of the family, since the death of the said Asidulla Jalakh, which amounts to nearly a fair sum, to be given to the petitioner.

The petitioner further prays that the Government may be kindly pleased to order that the pension which stands in his brother's name (deceased) be allowed to be drawn by the petitioner himself hereafter, thus permitting the family - to enjoy the whole pension of Rs.22/- which was previously being enjoyed by the petitioner's late lamented father.

For which act of kindness, he shall ever remain grateful.

23rd April 15. Petitioner.

To

Sir M. Visvesvaraya, E.A., K.C.I.E.,
D e w a n of M y s o r e,
B A N G A L O R E.

Respected Sir,

The humble petition of Obeidulla Jalakh, Mutafarkhat Pensioner, Mysore State, in Yellapur Mohalla, Hubli Taluk, now at Bangalore, - most respectfully sheweth:

1. That on or about the 23rd of April 1915 your - humble petitioner presented himself before your honour - in person and gave a petition to you requesting therein your generosity to order Government for the continuance of the lapsed pension of Rs 5-8-0 and that on a perusal of the same your honour was much pleased to reply him - that the matter will be well investigated into and the - petitioner given a favourable reply.

2. That to his utmost misfortune and wonder when he himself had gone to the Public Office Buildings and prayed for an endorsement, he was given endorsement No. Fl.7378 dated the 14th June 1915, wherein it has been - clearly stated that no portion of the pension enjoyed by his (petitioner's) father has lapsed to Government and - that his prayer cannot be granted.

3. That when the petitioner applied to the Office of the Comptroller to the Government of Mysore on the 17 th of December 1910 through the Collector and District Magis-

-trate

Civil and Military Station, Bangalore, he has been given an endorsement which shows "that the applicant is informed that out of the pension of Rs.22/- enjoyed by his deceased father Minoddeen Jalakh, a sum of Rs.16-8-0 was - distributed to the persons noted below and the balance - lapsed under orders from Government". Both this endorsement and the one which he now(yesterday or the day-before) received have been signed by one and the same officer Mr. S. Shamanna.

4 When such being the case, it is very unwelcome on the part of the benign Government to see that this petitioner is being given such endorsements as would differ in anything and everything to each other and that though the highest tribunal were to kindly promise that he would give his ears to an justifiable judgment, it has been very wonderful to state that, the officers in the lower ladder refuse such weighty judgments and so look to their own judgments in the matter.

5. That the petitioner has suffered a great deal by - his having come to a distant place and living thereby without any income here whatever and that as he had full hopes in your Most Gracious Self that he would be given Justice - now to receive such a heart-rending reply from the hands of the Government, is rather most threatening to him and that unless your honour will kindly take the trouble to immediately order for the records and peruse the same, he has been - quite sure that he will never be had any Justice in his most pitiable case in other officers.

W H E R E F O R E he most respectfully request - your honour to be graciously pleased to yourself look into the matter and well investigating into every line be pleased to save the petitioner by ordering the con-

continuance of the lapsed pension of Rs.5-8-0 to be caused to be made out in my name and thus save the petitioner and his family from serious difficulties and troubles in these hard days of starvation. This will really be a boon granted on the whole family and for which act of generosity, the petitioner and all the members of his family shall ever pray for your long life and continued prosperity.

BANGALORE,
